

Asset Management Committee Report
Region 7 Fall Forum – Spokane, WA
October 5, 2007
By Jim Prossick, Region 7 IAMC Rep

Officers: We have a new chair and vice chair.

Cynthia Gan, Chair

Bob Drayton, Vice Chair

Committees Goals

Review Courses 701 & 703 Bob Drayton has taken on that task.

Develop a Canned Presentation – Tom Fox is pursuing this.

Hold a minimum of 2 sessions in Austin with an emphasis on hosting a joint session

Sessions Planned for Austin

Our Biggest Asset – People: This will focus on recruiting training and retention of qualified staff and the challenges that go with it.

Bat's and Bridges: A joint session with environmental focusing on how habitat and a major local asset the Congress Avenue Bridge coexist. We are hoping for a late afternoon presentation followed by a night tour by foot or boat.

Transit Oriented Development: This will be an overview of TOD's followed by some specific agency examples in Austin and California.

The IAMC has really grown through at large membership and participation of past members such as Tom Fox, Johnny Dyess, Donna Hunter. We have had several conference calls with excellent attendance of 8-12 participants. Juan Zaragosa, IAC Rep has been attending our conference calls and assisting with putting together IAMC sessions for the Austin conference.

New members: Jack Holt, SRWA, Sue Findley, SRWA, Tom Rainbolt, Dean Harris.
