Skills of Expert Testimony

- The objective of this course is to provide appraisers and non-appraisers or individuals with practical skills in the field of expert witness testimony.

The problems faced by the expert witness are analyzed through extensive use of simulations based upon actual cases. The interplay between the attorney and expert witness creates a unique learning situation.

Instructor: Joachim (Joe) Pestinger, SR/WA, is principal partner in A Better Way—Mediation and has 30+ years of experience in the right-of-way field. The retired Director of Real Estate, WSDOT, Joe set policy and oversaw all facets of state right-of-way programs as well as other state and local public agencies. He has served on IRWA's International Transportation, Property Management and Education Committees and is lead author of IRWA's revised Land Titles & Intro to Property Management courses. Joe is qualified as an expert valuation witness for Washington State Superior courts.
